List of the Publications in English of M. B. Ter Borg

Meerten B. ter Borg was senior lecturer in the sociology of religion and Professor of Non-Institutional Religion at Leiden University. He wrote many books and articles on implicit religion and sense-making, in Dutch. In English he published in *Implicit Religion, Sociological Analysis* and in the *Oxford Handbook of the Sociology of Religion*. This symposium is organized on the occasion of his retirement. As an emeritus he will devote himself to the study of the biology of religion and sense-making.

Four-fifths of Meerten ter Borg’s publications, including many articles and eight books, are written in Dutch and published in the Netherlands. This list concerns only the work that is written in English.
